Tim:

We also appreciated you taking the time to meet with us on Friday. Per your request, attached is a copy of the list of potentially liable parties for the Bremerton industrial site. We also have a number of historical documents here that were helpful to us in compiling this list, so please let us know if you would like any further information.

Best regards,  
Karen

Thank you for the meeting on Friday. I appreciated our discussion. I inadvertently left without the handout on those parties you though may have some relationship to cleanup efforts. Could you e-mail me this please?

Thank you, Panjini.

Tim, we look forward to meeting with you on Friday. Please let us know if there are any particular materials that it would be helpful for us to have on hand for you at the meeting. Also, if you will be coming by car, we do have a parking garage under our building. The garage is accessible from the alley between 1st and 2nd Avenues, and Seneca and University Streets.

Best regards,  
Karen Breckenridge
